"I'm all about surf, sand and sex!"

Lexi was born in New York, but she moved down to Alabama at a young age, and she has the cutest Southern accent you've ever heard. So how did she end up in sunny California? Well, the waves took her there. "I was always a surf bum at heart, and I followed my dreams."

Lexi makes her own jewelry, works as a licensed massage therapist and spends most of her free time at the beach. Though she describes herself as a beach bum, she's no Spicoli. "I have three college degrees," Lexi told us. "I'm not lazy, I just know what I want in life: Beaches, boats, and great sex. There's nothing wrong with that!"

"I'm sending in these photos for a laugh," Lexi told us. "I'm not trying to be a porn star. I picked up one of your mags on a whim and thought that the girls looked like they were having fun, so I decided to give it a shot. It looked empowering. And if any of my surf buddies see these pics, maybe I'll get a few dates out of it."

10 YOUNG AMATEUR ANAL EXPLORERS

These young girls know how to make themselves cum through pussy play, but they've got another fuck-option right next door that has gone unexplored for too long! Watch as these burgeoning butt sluts probe and explore their rear ends until they find the

immense pleasure that only their assholes can provide. This movie features many of the fresh faces you'll see in this issue, but in crystal-clear HD video, you'll swear you can practically taste their pussy juices and feel their vise-tight butts grip your shaft.

DAPHNE DARE

Eden closes her eyes and bites her bottom lip when she's about

to cum. Right before the big pop, she slips a finger into her lubed up asshole. She was preparing her backdoor for that last-minute push over the orgasm edge. Daphne is preparing her butt-hole for her lover, so she spends extra time making sure she can fit his girth back there. She stretches herself wide open.

We asked surfer girl Lexi whether or not she lets guys fuck her backdoor. She responded, "Sure! Why not? It feels amazing when they cum in my ass." When we asked Melody the same question, she responded, "Yes, yes, yes! Fingering and licking are my faves. It's such an incredible feeling when my guy fucks me doggie-style and sticks his pointer finger in my starfish!"

Reader **CONFESSIONS**

An innocent game turns into something much, much better for one of our readers.

WATCH, FUCK, CUM.

Dear Newcummers,

It all started when Ashlee walked in on my girlfriend Kristy and I having sex in the living room. "I knew you guys fucked as soon as I left," she howled, her face glowing red from her exhaustive cackling. "You think I didn't notice that you were both always out of breath and the apartment smelled like pussy when I got home?" Kristy and I looked at each other, shocked and embarrassed. Her roommate had just busted us playing our favorite game: trying to screw in the time Ashlee takes to walk home from work! Luckily, Ashlee found the situation more amusing than infuriating. Soon, Kristy started snickering, too, which made me chuckle. Pretty soon, all three of us were rolling on the ground laughing about how daft, in hindsight, we must have been to think we were sly. After a minute of gut-busting laughter, we sighed, and I started to put on my boxers. Kristy grabbed at her thong which was still wrapped around one of her ankles. Ashlee started to say something but stopped herself.

"What was that?" I inquired.

"Nothing," she replied curtly.

"C'mon, are you mad?" I pressed.

"Not at all. I was just..."

"Spit it out!"

"I was just going to say that if you guys wanted to finish, I'd let you," Ashlee

stammered timidly.

I was still standing with my boxers halfway on, so I dropped them to the ground and stood there fully exposed. Kristy did the same thing. I grabbed her by the waist and kissed her gently. It was a bit odd to perform in front of a friend, but I was excited to give it a shot. I reached down and caressed Kristy's tit. Her nipple was hard, and I tweaked it as

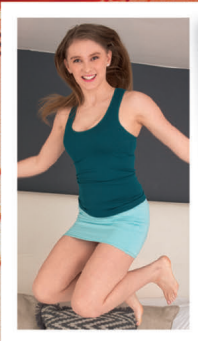

I slipped my tongue into her mouth. She moaned a bit, and I think she was hamming it up a bit for Ashlee's sake. I dropped my hand to her pussy and slid my finger inside her. She was so much wetter than before.

I pushed Kristy down on the couch and spread her legs, exposing her gorgeous, pink pussy. I eagerly got to work, kissing my way down her torso until I

Melody is in love with her high school boyfriend. Before Melody's first foray into porn, they made a deal. "At first, the deal was that I'd only pose solo. But then I saw the studs' huge cocks and went a little crazy. He was cool with that. The deal now is that anal is just for him."

"I put on these special undies because I figured that shooting my first porno photos was a special occasion, but I normally never wear anything this fancy. Now that my guy and I have our own place, I started walking around naked most days. If I absolutely have to wear panties, then I'll choose thongs. They're the most-comfortable option."

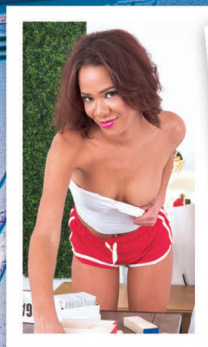

"I'm super submissive to my guy. He has complete dominance over me. My favorite thing in the world is when we devote an entire day to me being used as his little fuck doll. He ties me up and cums in me over and over again. It makes me wet just thinking about it. I love when he has complete control over me and uses it."

**“Tie me
up and
fuck
me
silly!”**

London is smart, cute and sensual. She works as a makeup artist, loves cooking and baking, and she counts going to strip clubs as one of her hobbies. “The energy coming off of everyone at the club is amazing,” she explained. “Everybody is either there to be seen or not be seen. They’re there to get off, or to get someone off. There’s a lot at play.”

"I've been getting into bondage porn lately. I've been fantasizing about Shibari. That's a Japanese term for rope tying. It requires some research to get good at it because it's not like hogtying someone and fucking them. The knots have to be beautiful, effective and have a Japanese aesthetic. There's a whole community of people devoted to it as an art form."

We asked London what her ideal date would be. "Realistically, I'd like a nice dinner date on the water. Maybe we could go to an arcade or a shooting range afterward. But my fantasy date would be a trip to Japan to watch an underground car race. Then we would fuck on a private plane while sipping champagne. I know it'll never happen, but I can still dream!"

Adira

Masturbate: Who doesn't?

Los Angeles, California

“Smoke
me out,
then
fuck
me!”

Adira works as the manager of a cannabis club. If you're not in a legal state, then you might be wondering what that is. "It's like a bar, but instead of booze, you can smoke weed there. Different clubs do different things, but some of them offer brunches, concerts, pool tables, etc. It's a fun place to work, and it's a chill place to unwind after a long day."

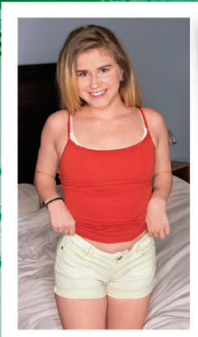

"I would definitely describe myself as dominant. I'm also next-level horny. When I masturbate, I have a toy called the 'womanizer' that focuses on my clit. When I attach that to a dildo, I'll cum four or five times in a session. I also like to fuck more than anybody I've ever met. I'd say I do it around 60 times a month. There's no shame in my game, and if I could find more guys, I'd do it even more!"

"Like most girls, my fantasy is being gangbanged. If a girl tells you that she doesn't want three muscular, hung studs taking turns fucking her until she cums, then she's a fucking liar. I'd also love to feel two guys going down on me at the same time. One guy can eat my pussy, and the other guy could tongue my asshole."

In our quest to find the freshest, youngest, most-adventurous amateurs in the world, we sometimes stumble upon the holy grail: an 18-year-old cutie still in high school. Taylor doesn't have any plans for what she wants to do when she graduates, but she thinks porn might be a fun way to spend her time. "I love fucking, and I want to make money while getting my brains screwed out."

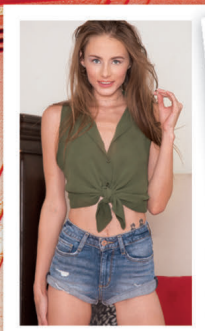

"Everybody knows me at school," Taylor responded after we asked her if she was nervous about shooting porn while still being a student. "I'm popular, so I'm sure it's going to get out there, but I'm gonna graduate soon, and there's nothing anybody can do to stop me. My ex will be jealous, that's for sure. I kinda hope he sees this and gets mad."

"The closest I've ever come to showing off like this is when I had sex in a parking lot. I was with a guy and we were making out. He pulled his cock out and asked if I wanted to suck him off. I did for a little while, but I was so horny, I pushed him into the back seat and rode him until we both came. I'm pretty sure some people saw us doing it."

When we first saw Kyler in our sister mag *Naughty Neighbors*, she said she's innocent. We call bullshit! Do innocent girls say shit like this? "Nothing satisfies me as well as a hard dick in my cunt," Kyler said. "Sure, I like getting my pussy licked, but I only want that for a minute or two. It's foreplay, not the big show. Let's get on to the good, nasty stuff!"

The good stuff includes doggie-style fucking, cowgirl, pussy stretching and a creamy, hot facial. This skinny-mini gobbles it all up and begs for more. As we said, she's not innocent in our book. "Just because I'm innocent 99 percent of the time, it doesn't mean that I don't know how to cut loose and have fun. I fuck all the time, and I'm always challenging myself. Porn is, like, a big check mark on my bucket 'fuck it' list."

"Another item on my 'fuck it' list is having a threesome. I desperately want two guys to have their way with me. I'd also like to do one with another girl, just to see what it's like. The most I've ever done with a girl is a few makeout sessions. I want to know what a wet, cumming pussy tastes like."

"I normally swallow at the end of sex because there's no cleanup. You should see the look on a guy's face when you can tell he's about to bust, so you drop to your knees and start sucking him off. Their eyes always go real wide! But your camera guys said I'd look really cute with cum on my face, so I let your stud bust on me. It was actually a lot of fun."

**"I needed a
ride in
more ways
than one!"**

Gorgeous little cutie Natalie told us a story where she ended up flashing and playing with her pussy in exchange for a lift. We decided to recreate it for you guys, putting you in the driver's seat. "It happened a few days after my 18th birthday," Natalie explained. "It was the sexual thing I did that made me feel like an adult. It was awesome!"

"The best pickup line a guy ever used on me has to do with cars. I was hanging out with my friends when this dude walked up and said, 'Are you gas?' I was like, 'No. What? Why?' He responded, 'Because I feel like pumping you in the back of my car.' That gave me a big laugh."

Natalie has a lot of things she wants to try in life. "I want to go sky diving, travel around the world and go to Coachella. I'm not enrolled in college yet, so I have plenty of time to explore and do fun stuff. I don't have a lot of money at the moment, though. I'm hoping that shooting these pics for you guys will help fund my travels and adventures."

"I masturbate every morning. I lie back with my eyes closed and play with my pussy until I cum five or six times, or until I can't cum anymore. Then I'm ready for the day. If I don't do that routine, then I'm super irritable and horny all day. That'll get me in trouble because I'll be on the lookout for any handsome guy willing to fuck me."

"I dress very sluttily when I go out. I like to reveal a lot. I don't usually wear bras or panties because they feel restrictive. I wear a lot of short dresses and skirts, almost all of them are tight-fitting. I definitely consider myself an exhibitionist. I'm always trying to show people my body."

got to her delicious cunt. "Kristy tells me that you love eating her out," Ashlee chimed in timidly. I answered her with a head nod, then closed my eyes and began licking my girlfriend's clit. I sucked at it and swirled my tongue, causing Kristy to shiver with delight. I ran my mouth down her slit to her dripping fuck hole and tongued her inside and out. I smacked my lips on her labia, and she ran her fingers through my hair. "She was right," Ashlee said. "You do seem good at eating pussy." I licked long and slow, then open-mouth kissed Kristy's clit again, giving it gentle swirls until I could smell and taste the change in her pussy juices that signified that she was close to cumming. Her juices soaked into the chin hair in my beard as I tongued her closer and closer, eventually slipping two fingers into her cunt. She didn't last very long after that. Her breathing was fast and loud, and it was all building to a magnificent crescendo. I glanced over and saw that Ashlee had unbuttoned her jeans and had a hand furiously moving against her own pussy. As Kristy clenched from a massive orgasm, I tongued as fast as I could. Her back arched and a massive wave of cunny juices rushed out of her. I lapped it up and continued on my mission. "Ashlee, you should take off those jeans and let us see what you're doing over there," Kristy croaked, still recovering from my tongue lashing. Ashlee stood up, slid off her jeans and then retook her spot on the chair facing us.

I moved closer to the couch and positioned my dick on Kristy's hole, pausing there for a second before pushing it in. After cumming from oral, Kristy would practically gag for my cock inside her. I wanted to see if she'd still do it in front of her roomie. "Please," she whimpered. "Please don't make me wait any longer. Ugh...I need your cock so bad." I pushed all eight inches of my dick inside her with a single thrust. Kristy gasped. Ashlee moaned. "That looks so fucking good," she whispered under her breath.

I squeezed Kristy's nipples and began to pump her pussy. She was so wet and warm, my cock was having a field day. "God, you feel so good," she exclaimed. "He's really good at this, isn't he?"

Born: February 20

Anal: Fingering and licking only

"I didn't enjoy school, so I ended up partying a lot instead of doing homework," Kimberly told us. "I'm enrolled in theatre school because I've always loved performing. I compete in Shaolin Kung Fu competitions, too, which is a rush to do in front of people. It's even more exciting because I'm fucking my instructor after everybody else leaves the temple!"

We asked Kimberly to tell us about the first time she had sex. As far as first-time stories go, hers is a doozy. "I lost my V-card in a threesome with my best friend and the singer of our favorite band at the time. It was on the Vans Warped Tour, and it was such a rush. We gave him a blowjob together, and then we took turns riding his dick. It was the best."

"I'm not bisexual, but I've had sex with a girl before. It was just to give it a shot. I was hanging out and drinking whiskey with a friend, and one thing led to another. Suddenly, she was eating me out and making me cum super hard. I, of course, returned the favor. I enjoyed it at the time, but I love dick too much to switch to the other team."

Naudi

Age: 21
Born: July 27
Ht: 5'6"
Wt: 125 pounds
Bras: 32B

Panties: I love lace
Anal: Yes!
BJs: Spitters are quitters
Masturbate: All the time

Albuquerque, New Mexico

"I'm so excited to shoot these pictures for you guys," Naudi told our camera guy when they first met. "Like, my pussy has been crazy wet all week just thinking about it! I've been aching to have sex, but I decided to edge myself until after I

shoot for you because I want to build up the pressure and see if I can squirt. I squirt almost every time I masturbate, but I haven't been able to do it with a guy. I'm hoping that if I'm horny enough, I'll end up soaking my fuck buddy."

"I've worked in the mall ever since I was in high school. It's okay, but the best part is that I know the building like the back of my hand. I've fucked pretty much everywhere in the mall; the staff elevators, the sales floor, the dressing rooms, fountains, etc. I've gotten so good at public sex!"

"I love anal sex, but I don't let just anyone fuck my ass. It's not as simple as regular fucking. I need a metric shit-load of lube, a good 20 minutes of pussy eating and ass fingering, then a couple of drinks before I'm loose enough to take a cock in my tight hole. If a guy does all of that, though, he's in for a good night!"

Ali

Age: 19
Born: January 29
Ht: 5'4"
Wt: 112 pounds
Bras: 34B

Panties: Thongs or lace
Anal: Not usually my thing
BJs: Swallow
Masturbate: Not usually

Las Vegas, Nevada

Ali has a girlfriend waiting for her back at home. What does her girl think about Ali spreading her pussy for a bunch of horny guys? "She's into making me happy, so she's cool with it. She doesn't mind if I fuck guys, either, because I'm not entirely gay or straight. She knows that I need occasional cock. As long as I shower afterward and let her eat me out before bed, then we're cool."

"I've been with my girlfriend for five years. When we first got together, I told her that I was usually into skater boys, but I was curious about being with a girl. She showed me everything I know about sex, really. She taught me how to cum from clit play. Before that, I thought I wasn't able to cum."

"I've had anal sex before, but it's not my cup of tea. Sometimes I let my girlfriend eat out my ass, but that's pretty much all I'm into back there. I have no problem fingering someone else's ass, though! In fact, it really turns me on. I have a strap-on that I've used on guys and girls, and they've all loved it. I wish I could enjoy anal, but it's just not for me, dammit."

Reader Confessions

continued from page 64

Ashlee added, looking at Kristy. Kristy just nodded and giggled, then her face turned serious as I thrust deep into her and her giggle turned into a moan. I began to work her hole faster, running my hands down underneath her to give her tush a little squeeze. She reached down to grab my ass as well. I love it when she does that. She pulled me into her on every thrust, sometimes pulling me harder than I normally would have fucked her for fear of hurting her. I was so lost in pleasure, I almost forgot to look over at Ashlee, who now was knuckle-deep in her cunt with her left hand, and was rubbing the hell out of her clit. I wanted to fuck her, too, but at the same time, Kristy's cunt felt so good, I never wanted to leave it. "Oh fuck," Kristy moaned. "Oh fuck! Fuck!" She began to pant severely, pulling me into her at such tremendous speed, I knew she was going to cum again. I was feeling my nuts swell, and it looked like Ashlee was starting to cum, too. I stayed on rhythm. Keeping up the now frantic fucking pace was exhausting, but I needed to help my lady finish. My cock went completely rigid as she squirted and thrust against me. "Please cum inside me right now," she squealed. It was more of a demand than a request. I grunted and pounded a second longer until I couldn't take it any longer. I throbbled a massive load into Kristy, and she screamed in delight. Each burst of jizz deep inside her made her whimper with pleasure.

Dog-tired, we both looked over to Ashlee to see how she was coming along. She looked as if her orgasm was bigger than both of ours put together. Her hair was a mess, and she was breathlessly gulping for air. She was still wearing a T-shirt, but was utterly pantsless, sitting in her living room chair with her fingers still lodged in her pussy. I collapsed onto Kristy and gave her a hug. Then I got up and grabbed Ashlee by the hand. She stood on wobbly legs, but I gave her a big hug, too. My cock, dripping wet with her best friend's cunt juices, rubbed against her belly.

I walked into the kitchen to grab some water bottles for all of us as the girls made pillow talk with one another. When I returned, I heard them making plans for some more fun the next day.

Annika

Age: 28
Born: March 24
Ht: 5'6"
Wt: 110 pounds
Bras: 36D

Panties: Anything colorful
Anal: I haven't tried it
BJs: Swallow if you're special
Masturbate: Yes

San Jose, California

Annika wants to start an amateur porn site with her boyfriend. We love a little healthy competition, so we answered her questions and gave her pointers. Then, we asked her if her guy could perform as well as a stud. She didn't know because she hadn't fucked one. You know what came next.

"Life is too short to be depressed or jealous about anything," Annika said. "I love life, and sex is a big part of life. I'm going to embrace and revel in sexuality. My boyfriend feels the same way. When I called him and told him I was going to fuck a stranger, he was like, 'good luck! I hope you cum really hard!'"

"I've never had a gangbang, but I want to try it someday. I spoke to a girlfriend of mine who did one in college, and she said it's an unreal experience, but there's a lot of planning that goes into it. If I'm running my own porn site, I'd be able to pick all the guys myself, so that's one of the things I'm most excited about."

"My guy usually cums in my pussy when we have sex. Creampies are my favorite. We have sex a lot, so I usually have at least a little bit of spunk inside me. When I give blowjobs, though, I prefer to swallow unless the guy tells me he wants to nut somewhere else. I'm not in a monogamous relationship, so I have plenty of opportunities to get showered in jizz!"
